

# Embraer Legacy 600

The aim set by our fantastic client was to refresh the interior in such a way that the design will resemble a newer one in Legacy 650.

# Project overview

Dedicating our expertise and skills to turning the client's vision into reality, we've carried out a full spectrum of works, redesigning the aircraft.

The timeless color palette, like brown, beige and ivory, alongside durable leathers and elegant fabrics, guarantee a long-lasting functional interior.

# Before & After

## Complete list of work performed

- smart repair of veneer and varnish damages, e.g., nicks, dents, chipping
